

# MONTICELLO I

## WALL HUNG COMMERCIAL HYGIENIC BASIN

### Highest Level Of Contamination Protection.

You'll find Gerber products wherever durability and dependability are required. In hospitals, and professional medical facilities, Gerber products deliver.

- Deep basin with sloped angles to minimize splashing and contamination
- Offset drain to reduce splashing and contamination from direct contact from water stream
- Sealed overflow to eliminate hazards of germ collection
- Punched for use with a concealed arm carrier
- Requires gooseneck faucet with laminar flow
- Cannot be installed for ADA compliance
- Wall hanger (included)
- Available in white only
