

MAXWELL®

The Starting Line Of Performance

- Dual-fed siphon jet
- Good, consistent performance
- Good value
- Tool free installation

Product Testimonial

Steve Rudesill from Alpine Plumbing, Milwaukee, Wisconsin, says, *"The Maxwell toilets were a perfect choice for this project. Compared to older models, they conserve thousands of gallons of water over the course of a year, and the residents won't ever have to worry about performance. The flushing mechanisms are reliable, the bowl cleans well and it's friendly on your water bill. All this for the end user, and we were able to offer it to Cardinal at a great price point."*
