**THE HURRAY FAMILY THANKS YOU FOR CHOOSING CECO
AS YOUR SOURCE FOR CAST IRON SINKS.**

CECO

Our products are hand made, one at a time, just as they have been for over 85 years. This means that no two pieces are exactly the same. Modest variations are the unmistakable mark of handcraftsmanship and should not be confused with defects. Each piece must pass extensive quality control inspection.

LIMITED LIFETIME WARRANTY

CECO guarantees all fixtures we manufacture against defects due to faulty workmanship or materials for the lifetime of the product in its original installation. Any item proven defective will be replaced with a new fixture. **No labor or other consequential charges will be allowed.**

INSTALLATION AND CARE

For proper installation use only silicon sealant. We recommend cleaning fixtures with mild liquid cleansers such as Soft Scrub or Fantastic. Under-mounted fixtures must be installed with the CECO UM-25, or all warranties will be null and void.

IMPORTANT INFORMATION

All cancellations must be in writing or by fax. **No cancellations on Regular or Premium Colors.**

SHIPPING POLICY

All L.T.L. orders will ship freight collect unless other arrangements are made.

- Delivery to initial carrier shall constitute delivery to buyer. Our responsibility ceases upon delivery in good order to carrier and all goods are shipped at buyer's risk. **It will be the customer's sole responsibility to make claims to carrier for lost or damaged shipments, etc.**
- L.T.L shipments will be via common carrier unless specified otherwise.
- Shipping discrepancies must be reported within forty-eight hours of delivery.
- Absolutely no return material will be accepted without prior written factory authorization.

DAMAGE POLICY

We urge you, the buyer, to inspect all deliveries and examine containers and cartons for obvious damage.

- If ware is visibly damaged, insist that your receiving personnel obtain written verification from the carrier on the freight bill.
- If damage is discovered after unpacking, notify the carrier at once so that they can inspect the material. Carrier is responsible for any damage during shipment and all claims must be resolved with the carrier.
- **All direct pre-pay and charge shipments:** If carrier delivers ware in a damaged condition and customer refuses shipment, resulting in the carrier returning damaged ware back freight collect, any and all costs will be passed on to the customer.
